

2020
State All-Star
Player Recognition

November 22, 2020

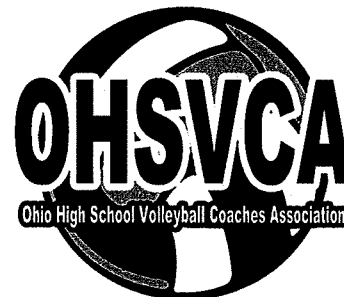

Welcome to the Ohio High School Volleyball Coaches Association All-Star Weekend. This 39th annual event features 80 of the best high school volleyball athletes from every area of the great State of Ohio. Also, involved are eight of the top coaches, as selected by their peers.

The Ohio High School Volleyball Coaches Association (OHSVCA) takes great pride in presenting this event. We are thrilled to be able to continue this tradition, yet in a different setting. Unfortunately, the world we live is not allowing us to bring all of our athletes together this year. We hope that the honor will be as special as it has always been. We are saddened by the fact we cannot hold the banquet and competition. It is a wonderful experience that nearly all of Ohio's secondary schools now sponsor interscholastic volleyball programs. The formation of the OHSVCA in 1983, by a group of concerned coaches, has become recognized as a significant factor in the future of the sport in the Buckeye State. In addition to the All-Star event, the OHSVCA is responsible for the Ohio Top 20 Volleyball Prep Poll (carried statewide by local newspapers), the All-Ohio Player Selections, and the Coach of the Year awards. Additionally, the OHSVCA recognizes excellence in academics through Scholarship Team Champions, the Individual Scholar/Athlete Awards for athletes carrying 3.5 GPA or higher, the OHSVCA Scholarship Award in each division as well as two scholarships for the children of member coaches. The OHSVCA Camp, the Media Award, and awarding of the Final Four pins at the annual State Tournament also fall under our auspice.

It is the belief of the OHSVCA membership that if the sport is to continue to develop, we must have the best possible players, coaches, administrators, and spectators. We must establish good public relations and media coverage. Volleyball can and should be a very rewarding and enjoyable activity and the benefits from participation in it should be available to all.

Yours in sport,

Kim Metz, President
Ohio High School Volleyball Coaches Association

All-Star Team Selection

There are 16 OHSVCA districts in Ohio, each of which is represented by a District Volleyball Coaches Organization. Each district selects one Player of the Year from each division. The senior POYs are invited to participate in the OHSVCA All-Star Match. If the district POY is not a senior, the coaches select a senior representative to the all-star match. Rosters are then completed with senior All-Ohioans in vote order and with position consideration.

OUR APPRECIATION AND THANKS TO MOLTEN USA for their contribution to the All-State All-Star Players.
