ABOUT THE PAPER, PART 3: 1990 – 1995

A great amount of the information listed below came from a paper I wrote in 1990-1992 while obtaining my masters degree. Many different sources were used to gather this information including the following:

- Interviews of different individuals around the state concerning volleyball; people interviewed included: Charlotte Basnett (first OHSVCA Executive Secretary), Chuck Braden (New Knoxville), Lucille Burkett (Shaker Heights, DGWS Chair), Hildred Byrkett (Troy), Chuck Dorsey (Jackson), Rod Ebright (Grandview Heights & Sports Imports), Dorothy Edwards (Elida), Diana Ford (Bexley), Lois Harkins (Federal Hocking), Randy Heath (Jackson Journal Herald), Margaret “Peg” Love (Department of Education), Bob MacFarland (Stow), Carol Mertler (Ashland College), Radonna Miller (Upper Arlington), Dr. Deborah Moore (OHSAA), “Bernie” Reinhardt (Lima Shawnee), Char Sharp (Archbold), Agnes Timmons (Barnesville), Dr. Jo Ann Tyler (Otterbein College), and Lori Wagner (Mansfield). **If you know of someone I should interview, please let me know!** I interviewed Sue Brady of Oberlin High School & Kathleen Harris of West Holmes High School the summer of 2005. Coach Brady started teaching in 1958 at Oberlin and began the girls’ athletic programs at that school. Coach Harris began the girls’ athletic program at West Holmes in the 60’s as well. It was a complete joy to listen to their memories!!!
- Books written about volleyball and various volleyball magazines
- The OHSAA office and past issues of their magazine, THE BULLETIN (1922-1940) and THE ATHLETE (1941-present); also booklets dealing with girls’ sports such as “Guidelines for Girls’ Sports Programs in Ohio” (1970); and the State Volleyball Tournament programs (1975 – present)
- My own files, which included information about the Girls’ Volleyball Advisory Committee, the Ohio High School Volleyball Coaches Association including the OHSVCA newsletters, planners, and All-Star programs, District 5 Volleyball Coaches Association All-Star Match programs, the National Federation rule books, and bulletins from the OHSAA office
- The national office of the National Association for Girls’ & Women in Sports and the American Alliance for Health, Physical Education, Recreation, and Dance for rule books, and other pieces of pertinent information

- Donated material from various individuals such as Diana Ford, Margaret Love, and Chuck Braden
- Additional help from the OHSAA office and Brandy Young in providing the results of the state tournaments during the '90s

The goal of this paper is to provide a background regarding the growth of the sport of volleyball in Ohio and to record major information of the OHSVCA. It will be presented during the summers of 2004 through 2008, the OHSVCA's 25th anniversary.

It will also give coaches/schools access to the history of their school in volleyball in terms of state honors, all-star matches, and state tournament results. If anyone knows of a former coach that coached in the early years of the sport, please let that person know this paper is available on line. Junior high/ middle school and boys' volleyball information will be kept to a bare minimum as my primary interest and concern is with girls' high school volleyball.

As is always possible, an error could have been made in the spelling of a name, a year, a school name, etc. **I welcome any corrections and/or additions to this information** (see the last page for corrections). Please feel free to contact me at my home address of 29453 TR 212, Fresno, Ohio, 43824.

If you have trouble sleeping at night, then this paper is for you!

 - Yearly membership fees for the OHSVCA were \$10.00, lifetime fee was \$50.00

- In March, the treasurer reported a balance of \$11,560.36 and in May, a balance of \$9526.11 (all prior to the 1990 clinic)
- Scholarship winners were: Class A, Kari Reynolds, Spencerville HS; Class AA, Kerry Cremeans, Wheelersburg HS; Class AAA, Julie Owens, Mt. Healthy HS
- Third year of the Scholastic Team Award program produced the following winners: Class A, Cuyahoga Valley Christian Academy (3.579 gpa); Class AA, Centennial (3.615 gpa); Class AAA, Athens (3.576 gpa); over 50 teams met the criteria for the scholastic team award in 1989-90
- Third year for the scholar athlete award: 160+ athletes received the honor (1989-90) and 42 scholar/athletes with a 4.000 gpa
- Clinic held in June at Upper Arlington HS; no OHSAA rules interpretation meeting at the clinic because of the date; would include time for high school and college coaches to meet and have a better understanding between the two groups; #3 Drill Book was available; Radonna Miller was in charge of overseeing the set-up for the clinic
- In its third year, boys' volleyball programs were increasing in number throughout the state; regional tournaments were being held due to the increased number of teams; the OHSVCA became the organizer and sponsor of the tournaments
- Boys' Volleyball State Tournament was held on May 19th at Franklin Heights HS with 16 teams competing; Worthington beat St. Charles for their first title; June 16th was the date of the Boys' All-Star Match at Upper Arlington
- Nearly 500 coaches attended the clinic in June and membership increased to 692 coaches by September; after the clinic, the treasury showed \$11,197.00 in the checking account, \$3379.00 in the savings account, and a CD with \$4857.00
- **There were no inductees for the Hall of Fame in 1990**
- Purchase of Final Four pins from past state tournaments was made available (1975 to present)
- The College Corner was a new article being written for our newsletters by various college coaches
- Coaches were to contact officers or their district directors about any concerns in the state about volleyball; this information was the basis for many of the action/proposals taken by the OHSVCA Board of Directors; proposals had to be on the agenda for the November meeting in order to be discussed (some concerns raised dealt with the quality of line judging, the Adidas/Molten ball, independent play rules, summer camps, open gyms, no contact period, standard form for nominating a player for All-Ohio, play area at Dayton

- arena for the state tourney; some of the rules concerns dealt with allowing a double hit on serve receive, possible 4th entry at 14- 14, antenna placement on the net)
- October newsletter listed players attending college and playing volleyball on a new level
 - Junior high/Middle school coaches could receive awards for 100, 200, 300 wins
 - State tournament in November goes to 4 divisions as opposed to 3 classes and would be played over 3 days at the University of Dayton (the 1989 tournament made \$45,000.00); match ball was Molten
 - The OHSVCA and Mikasa sponsored a Hospitality Room at the state tourney
 - OHSVCA proposals to the OHSAA included a 2 day regional tournament, one more week of preseason, maximum of 22 matches in 20 playing dates, and one additional scrimmage for each week a team advances in tournaments
 - All-Star Matches were moved to the Ohio State University to accommodate a 2 court/match format; this was number eight for our association
 - At the end of the state tournament, our membership had risen to 770 with 121 total life members; prior to the All-Star matches we had a total of \$18,815.00 in all of our accounts
 - In Ohio, there were 778 high schools with volleyball teams and 19,496 participants

 - Yearly membership fees for the OHSVCA were \$10.00, lifetime fee was \$50.00
 - In March, the treasurer reported a balance of \$12,588.96 and in April, a balance of \$7000+ (all prior to the 1991 clinic)
 - Pam Witzmann, Centerville, was appointed to the new OHSAA standing committee on Sportsmanship, Ethics, and Integrity and Bob Price, Westerville South, was appointed to work with the OHSAA on improving the current Molten ball for tournaments
 - The 1990 regional and state volleyball tournaments made \$32,678.85!
 - The state volleyball tournament for 1991 was moving to the Nutter Center, Wright State University
 - OHSVCA state clinic was going to be held at Upper Arlington HS on Friday, June 14th, and Saturday, June 15th
 - 1990 team records for 7th, 8th, and Freshmen teams were printed in the March, 1991, newsletter- if submitted
 - in April, 1991, our proposals to the OHSAA were all voted down – 22 matches in 20 playing dates, allowing additional scrimmages during tournaments beyond sectionals, practice to begin 2 weeks prior to first day of season, and for the regionals to become a 2 day event; the principals in the state had voted FOR all the proposals

- OHSAA State Board finally agreed on a number to “recognize” a sport to be eligible for tournaments – 150; impact for us dealt with boys’ volleyball
- Scholarship winners for 1990-91 were: Division I – Alison Martin, Sandusky HS; Division II – Karen Meyers, Chaminade-Julienne HS; Division III – Kathryn Wheeler, Wheelersburg HS; Division IV – Rachel Hostetler, Archbold HS; in 1992 winners would receive \$300 instead of \$100
- Fourth year of the Scholastic Team Award program produced the following winners: Division I, Col. St. Francis DeSales (3.618 gpa); Division II, Centennial (3.665 gpa); Division III, Otsego (3.647 gpa); Division IV, Minster (3.579 gpa); 96 teams met the criteria for the scholastic team award in 1990-91; plaques were given to these teams at the clinic and the next 4 schools in each division received a certificate of honor
- Fourth year for the scholar athlete award with 341 athletes receiving the honor (1990-91) and 53 scholar/athletes with a 4.000 gpa
- Boys’ Volleyball State Tournament was held on May 18th at Westland HS with 16 teams competing; Hilliard beat Gahanna for their first title; June 15th was the date of the Boys’ All-Star Match at Upper Arlington; winner to play in the USVBA championships
- Due to problems with boys’ coaches behavior during the boys’ tournaments, a vice-presidency was created by the OHSVCA for boys’ volleyball
- 506 coaches attended the clinic in June and membership increased to 800+ coaches by September
- **Inductees for the Hall of Fame in 1991 were Sheila Wallace (Ohio Northern University), Rose Koch (Cinc. Mother of Mercy HS), and Martha Roudebush, (Indian Valley HS)**
- Over 1200 Final Four pins from past state tournaments (1975 – 1990) were ordered for coaches/schools that requested them
- Volleyball official, Ginny Lee Powers, was elected into the OHSAA Officials Hall of Fame; Ginny had officiated volleyball and basketball for 34 years including 3 trips to the volleyball state finals
- Winners of the 1991 Dolores A. Billhardt Memorial Scholarship were Ann Gillespie, Washington HS, Heather Glugin, Ottawa-Glendorf HS, Heidi Leedom, Wellington HS
- The first OHSVCA Elite Camp for players was held at Muskingum College in July of 1991; 56 spots were available and 80 players applied; Elizabeth Zicha was the director

- Grace Hutchinson took over as director of the Elite Camp for the coming year as there were procedural problems with the NCAA and Muskingum in the running of the camp; camp would be moved to Ohio Northern University for 1992 and the OHSVCA would incur extra expenses
- The College Corner articles continued to be written for our newsletters by various college coaches
- Joe Kolodka and Jim Glessner developed a standardized form for coaches to use to nominate players for All-Ohio; forms were made available to the district directors to give to their district members in August of 1991
- October newsletter listed coaches winning 100, 200, and 300 wins awards; by November we had our first coaches with 400 wins- Char Sharp of Archbold and Bob MacFarland of Stow!
- Coaches were to contact officers or their district directors about any concerns in the state about volleyball; this information was to be the basis for many of the action/proposals taken by the OHSVCA Board of Directors; proposals had to be on the agenda for the November meeting in order to be discussed (concerns raised: uniform shirt and short ties not be called a net foul, junior varsity player be allowed to play in 4 games per opponent with limit of 60 games per season, regional tournament be held over 2 days, one scrimmage be permitted per tournament for teams advancing beyond the sectional level, limit on playing dates, not matches, and that once a player has played a ball, she be permitted to enter a non-playable area)
- September and October newsletters listed players attending college and playing volleyball on a new level; also listed poll voters and membership form
- Junior high/Middle school coaches could also receive awards for 100, 200, 300 wins
- The OHSVCA and Mikasa once again sponsored a Hospitality Room at the state tourney
- Coach of the Year awards were given at the State Volleyball Tournament

- By December 1st, our membership had risen to 838 with 168 life members; prior to the All-Star matches we had a total of \$18,000.00+ in all of our accounts

❖ **Brief overview of the significant discussions/decisions/happenings for 1992 in the OHSVCA and volleyball in the state through decisions of the OHSAA:**

- Yearly membership fees for the OHSVCA were \$10.00, lifetime fee was \$50.00
- in January, 1992, proposals to the OHSAA were– junior varsity player who plays in 2-3 junior varsity games may still be allowed to play in 1 varsity game; 22 matches in 20 playing dates, allowing additional scrimmages during tournaments beyond sectionals, practice to begin 3 weeks prior to first day of season, and for the regionals to become a 2 day event; proposal to the National Federation dealt with the uniform touching the net not being a net violation (in April, the Board voted and only the first proposal passed)
- In March, the treasurer reported a total balance of \$13,981.73
- OHSVCA state clinic was going to be held at Upper Arlington HS on Friday, June 19th, and Saturday, June 20th
- 1991 team records for 7th, 8th, and Freshmen teams were printed in the March, 1992, newsletter- if submitted
- March newsletter contained the news that Hall of Fame inductee, Marvin Seyfang of Frankfort Adena, had passed away in February after a year long bout with cancer
- Volleyball camps held in August between the 1st & 14th would be illegal in Ohio
- Scholarship winners for 1991-92 were: Division I – Kelly Woodring, Madison Comprehensive; Division II – Erin Funk, Salem HS; Division III – Lisa Strouth, Paint Valley HS; Division IV – Emily Huelsman, Covington HS; winners received \$300
- Fifth year of the Scholastic Team Award program produced the following winners: Division I, Austintown-Fitch (3.589 gpa); Division II, Col. St. Francis Desales (3.693 gpa); Division III, Huron (3.649 gpa); Division IV, Arlington (3.655 gpa); 80 teams met the criteria for the scholastic team award in 1991-92; plaques were given to these teams at the clinic and the next 4 schools in each division received a certificate of honor
- Fifth year for the scholar athlete award with 400+ athletes receiving the honor (1991-92) and 89 scholar/athletes with a 4.000 gpa
- Alan Swank and Cathy Ames were re-vamping the team/individual scholarship criteria due to the fact that schools varied on how grade point averages were figured; In November, they suggested a certificate to all schools achieving a 3.5000 gpa due to the differences between schools' gpa – accepted for 1993; Alan would be assuming the duties of the team/individual scholarship awards as part of his office

- OHSVCA was to begin compensating officers, advisory committee personnel for expenses occurred because of association business (mileage, clerical supplies, phone calls, food, and motel- if necessary) based upon funds available; district directors should be compensated by their individual districts
- OHSVCA voted to become incorporated, to support the OHSAA SEI Committee, to add Historian as a position, to begin giving a certificate of appreciation for individuals assisting the OHSVCA, and to give our President the right to negotiate with any company to be a sponsor for the OHSVCA
- Boys' Volleyball State Tournament was held on May 15th & 16th at Westerville South HS with 16 teams competing; Dublin beat Centerville for the title; June 20th was the date of the Boys' All-Star Match at Upper Arlington
- 510 coaches attended the clinic in June and membership increased to 848 coaches by October
- **Inductees for the Hall of Fame in 1992 were Grace Hutchinson of Norwalk HS and Nancy Dutton of Springfield Northwestern HS!**
- OHSVCA Elite Camp for players was held at Ohio Northern University in July of 1992; players were eligible based upon post season honors in 1991; 64 players attended; Grace Hutchinson was the director; college coaches from Division I, II, and III made up the coaching staff
- Treasurer's report showed a total balance of \$18,178.80 by September
- September newsletter carried the first official OHSVCA nomination form for All-Ohio
- Membership in the OHSVCA by the varsity coach was required for his/her player to be eligible to play in the State All-Star Match
- President Sonny Lewis was appointed to the volleyball rules committee of the National Federation of State High Schools
- Winners of the 1992 Dolores A. Billhardt Memorial Scholarship were Rachel Lee, Springfield South HS, Renee Schumacher, Ottawa-Glendorf HS, Amy Marie Six, Mayfield HS, and Shannon Ward, Princeton HS
- The College Corner articles continued to be written for our newsletters by various college coaches
- The state did not sponsor a ball in '92, so either a Tachikara, Baden, or Mikasa ball was used during tournaments
- Coaches were encouraged to call scores in by way of the code-a-phone (since 1983!)

- Coaches were to contact officers or their district directors about any concerns in the state about volleyball; used to be the basis for much of the action/proposals taken by the OHSVCA Board of Directors; proposals had to be on the agenda for the November meeting in order to be discussed (concerns raised: playing dates as opposed to number of matches, being permitted to coach a senior in out of season play since their eligibility in volleyball was finished, regional tournament be held over 2 days, one scrimmage be permitted per tournament for teams advancing beyond the sectional level, assignment of officials be by school division, a zero vote on the officials ballot, tournament pass list to allow for 24 names, and volleyball season start 2 days sooner)
- 1992 newsletters listed players attending college and playing volleyball on a new level; also listed poll voters, membership form, and scholarship information (individual & team), coaches that received awards for 100, 200, 300, 400 wins, and historical articles about volleyball in Ohio
- The OHSVCA and Mikasa once again sponsored a Hospitality Room at the state tourney
- 1992 All-Star Matches were moved to Baldwin-Wallace College on Sunday, November 22nd
- OHSVCA Media Award winners for '92 were Russell Goulet of the Kenton Times and Jeff DiVeronica of the Chillicothe Gazette
- The Regional and State Volleyball Tournaments made \$37,406.21 and the total attendance for these tournaments was 29,828; 779 teams started tournament play
- By December 1st, our membership had risen to 905 with 210 life members

- The sixth year for the scholar athlete award: over 350 athletes received the honor and nearly 70 scholar/athletes earned a 4.000 gpa
- OHSVCA banners were made up to be displayed at the All-Star matches and the clinic
- President Sonny Lewis signed a 3 year contract with Molten to be a sponsor for the OHSVCA
- In June, the recommendation was made to give outgoing district directors a certificate of appreciation; it also became official that the Vice-President would be in charge of the College Scholarships, the Team Scholastic Awards, and the Individual Scholar Athlete Awards; recommended to the OHSAA that novice volleyball officials take a class on officiating; Dave Pallenik recommended that the junior high director's position become a voting member of OHSVCA business- unanimous to accept recommendation
- Grace Hutchinson reported that the third annual Elite Camp would once again be held at Ohio Northern University and suggested a book be sold to the college coaches with

- information on each of the players; Elite Camp was also going to have its' own checking account and Grace was looking for a sponsor for the Elite Camp; 64 players did attend
- Discussion about moving the clinic to August so a rules interpretation meeting could be included and hoped for an increase in registration due to schools having a better chance of their entire staff being hired by August
 - Schools had to write a letter to the Vice-President if they were considering changing districts
 - President Lewis recommended a booklet be made up for the OHSVCA officers, directors, and other personnel that would include the constitution and by-laws, all forms (such as All-Ohio, scholarship forms, media awards, etc)
 - Boys' Volleyball State Tournament was held on May 21st & 22nd at St. John's Arena and Larkins Hall at OSU; with 16 teams competing, Springfield beat Dublin for the title; June 19th was the date of the Boys' All-Star Match at Upper Arlington
 - 550+ coaches attended the clinic in June and membership increased to 925 coaches by November (265 lifetime members); at the clinic, the membership approved a new constitution/by-laws, increase in membership dues (annual & lifetime), reorganization of the offices and coordinators at the general meeting

 - Membership in the OHSVCA by the varsity coach was required for his/her player to be eligible to play in the State All-Star Match
 - It became official in November that the 1994 Coaches Clinic would be moved to August and was to be held at Westerville South HS and that the OHSVCA would sponsor a SEI Coaches Award
 - Winners of the 1993 Dolores A. Billhardt Memorial Scholarship were Stephanie Craft, Minford HS, Sara McCullough, Edison HS, Paula Rucker, Lebanon HS, and Kathleen Schenck, Cinc.Ursuline Academy
 - The College Corner articles continued to be written for our newsletters by various college coaches
 - The OHSAA tournaments used either a Tachikara SV5, Baden 15-OH, or Mikasa VFC200 volleyball

- Coaches were encouraged to call scores in by using the code-a-phone number (since 1983!)
- Coaches were to contact officers or their district directors about any concerns in the state about volleyball; this was the basis for much of the action/proposals taken by the OHSVCA Board of Directors; proposals had to be on the agenda for the November meeting in order to be discussed (concerns raised: volleyball go to 18 playing dates with a maximum of 24 matches, volleyball use the same starting date formula as used to determine starting dates for football, and that a zero rating be added to the OHSAA volleyball officiating rating sheet)
- 1993 newsletters listed players attending college and playing volleyball on a new level; also listed poll voters, membership form, and scholarship information (individual & team), coaches that received awards for 100, 200, 300, 400 wins, minutes from the OHSVCA Board meetings, and historical articles about volleyball in Ohio
- The OHSVCA and Molten sponsored a Hospitality Room at the state tourney
- Boys volleyball went through restructuring with regional directors; as of November, 55 teams had registered with the OHSAA

 - 1993 team records for 7th, 8th, and Freshmen teams were printed in the March, 1994, newsletter- if submitted
 - Coaches were permitted 10 contact days from June 1st to July 31st by the OHSAA
 - The seventh year of the Scholastic Team Award (all schools that carried a 3.500 gpa were honored) produced the following winners: Division I- Bowling Green (3.708), Piqua (3.513), Upper Arlington (3.655) ; Division II- Athens (3.816), Beaumont (3.567), Firelands (3.675), Maysville (3.567), Poland Seminary (3.545), and Sheridan (3.661); Division III- Columbiana Crestview (3.568), Eastwood (3.565), Lakota (3.683), Newcomerstown (3.512); Division IV- Arlington (3.631), Kidron Central Christian (3.514), Mansfield Christian (3.602), and Newark Catholic (3.674)
 - The seventh year for the scholar athlete award: 432 athletes received the honor and 102 scholar/athletes earned a 4.000 gpa!
 - In 1994, teams were exempt from the uniform rule, but must comply by ’95; schools were encouraged to call Dr. Moore at the OHSAA with any questions pertaining to uniforms, Federation rules, OHSAA rules on out-of-season play, camps, etc.
 - Grace Hutchinson reported that the fourth annual Elite Camp would once again be held at Ohio Northern University; as always, Grace was looking for high school coaches to be ‘gofer’s’ at the camp; these days did count as contact days if you had a player at the camp

- Boys volleyball had a clinic in January at Thomas Worthington HS; regional reps were Central- Glynda Rice, Worthington Kilbourne; Northeast- Ray Pileski, Elyria; Northwest- Dennis Caldwell, Springfield; Southwest- Pam Witzmann, Centerville
- President Lewis reported that any high school volleyball athletes that would be demonstrators at the clinic must be cleared by the OHSAA in advance of the clinic
- Discussion occurred about selling our mailing lists to interested parties- motion failed; motion passed to sell our membership list to colleges and universities as well as volleyball related businesses, but coaches could opt to not have their name on the list
- Boys' Volleyball State Tournament & All-Star Match was held on May 20th & May 21st at St. John's Arena at OSU; with 16 teams competing, Centerville beat Lebanon for the title; Mizuno, Baden, and Tachikara all donated various items for the weekend
- In June, our treasury showed a balance of \$4,625.79
- **Char Basnett retired as the OHSVCA Executive Secretary and was so honored at the August clinic; Char served for 8 years and saw our membership grow from 250 to nearly 1000 members; Laura Smith of Frankfort Adena would replaced Char**
- Treasurer's report showed a total balance of \$2346.05 as of August 1st
- At the August OHSVCA Board Meeting, Elite Camp Coordinator, Grace Hutchinson made a recommendation that the Elite Camp have the following paid positions: Elite Camp Director (\$600), College Coach Coordinator (\$300), and a High School Coach Coordinator (\$100); motion made and passed beginning with 1995 camp
- Scholarship winners for 1993-94 were: Division I – Amy VandenEynden, Ursuline Academy; Division II – Jamie Dearth, Marlinton HS; Division III – Stacie Bahmer, Ridgewood HS; Division IV – Hollie Borton, Hilltop HS; winners received \$300
- President Sonny Lewis received a possible contract offer from Mizuno (we were under contract with Molten); contracts would be discussed in November
- September newsletter carried information about the polls, poll voters, reporting scores, district information, hotel information for the state tournament
- In the September newsletter, Denny Caldwell bid farewell to the association as the Boys Volleyball Coordinator and introduced us to the new coordinator, Bill Cooperrider, OSU assistant volleyball coach; Denny discussed the growth of boys volleyball over his short 3 year tenure and mentioned the greatest problem he faced- reaching the number of 150 schools to have the OHSAA sanction the sport; as he stated, it was a catch 22 because school's were willing to support a team if the OHSAA would sanction the sport

- Winners of the 1994 Dolores A. Billhardt Memorial Scholarship were Shannon Carter, Reynoldsburg HS, Heather McClincy, Hilliard HS, and Kristin Inman, Nelsonville-York HS
- The OHSAA tournaments used either a Tachikara SV5, Baden 15-OH, or Mikasa VFC200 volleyball; Dr. Moore welcomed any other suggestions
- Coaches were still encouraged to call scores in by using the code-a-phone number (since 1983!)
- Coaches were to contact officers or their district directors about any concerns in the state about volleyball; this was the basis for many of the action/proposals taken by the OHSVCA Board of Directors; proposals had to be on the agenda for the November meeting in order to be discussed (concerns raised: having two Class 1 rated officials for all varsity matches and the OHSVCA endorsed the Nutter Center for the state volleyball tournament as long as Southwest District teams did not play their regional tournament there since practice was not permitted on the state floor; proposals included lowering the junior high net to 7'; a senior with no more high school eligibility be permitted to be coached by their high school coach in a JO or club setting; asked that high school coaches that attended the Elite Camp as observers not have to count those days as contact days; the following rules revisions were submitted to the National Federation Committee: the start of the game not count as an entry; blood entry not count as a substitution; add a 4th entry; add a 4th entry when the score reaches 14-14);
- Tom Kohl looked into the clinic counting as CEUs for teachers;
- 1994 newsletters listed players attending college and playing volleyball on a new level; also listed poll voters, membership form, and scholarship information (individual & team), coaches that received awards for 100, 200, 300, 400 wins, minutes from the OHSVCA Board meetings, officers, directors, and coordinators as well as news about boys volleyball
- The OHSVCA and Molten still sponsored a Hospitality Room at the state tourney
- At the November Board meeting, the OHSVCA had \$22,549.97 reported in its treasury; Chuck Braden was to be nominated for the National Hall of Fame
- The 1994 All-Star Matches were moved to Ohio University to be played on Sunday, November 20th; Cathie Kindler mentioned that problems seemed to occur each year on finding a facility that would meet our needs to host the All-Star matches; all directors/officers/coordinators would have specific duties for the day
- There were no OHSVCA Media Award winners for 1994

- The following decisions were made at the November meeting concerning the clinic for 1995: it would be held in August & at Westerville South, Bob Price suggested our having a Thursday Board meeting to allow more time to take care of Association business, Lynn Schoenstedt would be the featured clinician, weight training sessions would be available, KFC would provide the lunch, black bags with handles would be given along with the handouts, pens, membership cards, and the Embassy Suites would be the official host hotel for the clinic
- Sonny Lewis sent letters to each of the districts recommending that they pay for their Directors hotel for Thursday night only; we also recommended to the OHSAA that a voice vote of the coaches be used at the sectional seedings
- **1994 Hall of Fame inductees were De De Stoner of St. Henry and Mary Ritter of Cincinnati Seton**
- Over 14,000 people attended the State Volleyball Tournament; 771 teams started tournament play; nearly 18,500 participants competed in high school volleyball

- ❖ **Brief overview of the significant discussions/decisions/happenings for 1995 in the OHSVCA and volleyball in the state through decisions of the OHSAA:**
 - Yearly membership fees for the OHSVCA were \$15.00, lifetime fee was \$75.00
 - January, 1995, proposals to the OHSAA were– lowering the junior high net to 7’ (approved, April); asked that high school coaches that attended the Elite Camp as observers not have to count those days as contact days (denied, April); Ohio was asked by the National Federation to test a proposed rule change – that the receiving team would rotate on the first side out (approved, April)
 - Fred Dafler, OHSAA Associate Commissioner, retired at the end of February

- OHSVCA state clinic was to be held at Westerville South HS on Friday, August 4th, and Saturday, August 5th; Clinic would again have the OHSAA rules interpretation meeting for volleyball coaches and officials
- In the eighth year of the Scholastic Team Award (all schools that carried a 3.500 gpa were honored) 129 schools received a certificate of their accomplishment and in the eighth year for the scholar athlete award: 481 athletes received the honor and 110 scholar/athletes earned a 4.000 gpa!
- Schools were encouraged to call Dr. Moore at the OHSAA with any questions pertaining to uniforms, Federation rules, OHSAA rules on out-of-season play, camps, eligibility, etc.
- Grace Hutchinson reported that the fifth annual Elite Camp would once again be held at Ohio Northern University in July; as always, Grace was looking for high school coaches to be ‘gofers’ at the camp; those days did count as contact days if you had a player at the camp
- Boys’ Volleyball State Tournament & All-Star Match was held on May 19th & May 20th at St. John’s Arena at OSU; with 16 teams competing, Lebanon beat Buckeye Trail for the title
- Treasurer’s report showed a total balance of \$9882.90 as of August 1st
- At the August OHSVCA Board Meeting, Elite Camp Coordinator, Grace Hutchinson announced that the camp ran at a profit! Camp fee was raised to \$235.00 for 1996 to pay college coaches \$200.00
- In August, Cathie Kindler announced that Canton McKinley would host the 1995 All-Star Match on Sunday, November 19th
- Guess what?! Coaches were still encouraged to call scores in using the code-a-phone number (since 1983!)
- Scholarship winners for 1994-95 were: Division I – Maggie Clark, Piqua HS; Division II – Danielle Conser, Salem HS; Division III – Laura Long, Frankfort Adena HS; Division IV – Kristi Kose, Cory-Rawson HS; winners received \$300
- President Sonny Lewis secured a contract with Spalding that provides \$1500.00 and 12 volleyballs to the OHSVCA
- In August, it was announced that we were looking for someone to fill an opening on the SEI Committee; required attending three meetings per year
- The OHSVCA nominated Coach De De Stoner of St. Henry as the “Ohio Volleyball Coach of the Year” to the NFICA

- There were to be no temporary tattoos on players
- September newsletter carried information about the polls, poll voters, reporting scores, district information, hotel information for the state tournament; also listed the person for certain questions in “Who You Gonna Call”
- Winners of the 1995 Dolores A. Billhardt Memorial Scholarship were Juli Algire, Fredericktown HS, Cinda Jolene Creager, Patrick Henry HS, Jennifer Ann Keagy, Girard HS, and Summer Lynn Stevenhagen, attended University of Toledo
- The OHSAA tournaments used one of four different volleyballs which would rotate divisions each year (Baden, Mikasa, Spalding, Tachikara)
- Richard Termeer, OHSAA Associate Commissioner, retired at the end of October
- Coach of the Year awards were presented at the state tournament
- Dr. Moore was going to investigate volleyball going to a 2 day regional tournament which would be in line with other sports; she would contact regional tournament managers on their opinion of hosting the tournament for 2 days; length of semi-final matches would need to be kept
- Concerns were raised once again about the quality of officiating and a better rating sheet for officials
- Pam Witzmann announced that SEI would honor a volleyball coach this year
- Only one coach and one player was ejected from a match in Ohio this year
- Laura Smith reported at the November meeting we had 894 members; treasurer’s report as of November 3 was a total of \$16,759.59 in our association’s funds (CD, savings, checking, petty cash)
- Coaches were to contact officers or their district directors about any concerns in the state about volleyball; this was the basis for much of the action/proposals taken by the OHSVCA Board of Directors; proposals had to be on the agenda for the November meeting in order to be discussed (coaches liked the 7’ jr. high net and the rotation after the first side-out for the receiving team); coaches wanted to see 4 entries in a game, the uniform touching the net to not be a net foul, no double hit on serve receive & one minute time-outs no matter who was ready first; our proposals were: approval of the receiving team rotation, 2 day regional tournament, pre-sale of tickets for the regionals
- Bob Price announced that Coach Fran Ralston Flory of the University of Kentucky would be the main speaker at the 1996 clinic
- North Coast Volleyball requested a vendor’s table at the All-Star Match (fee of \$250.00)

- 1995 newsletters once again listed summer camps, information on the Elite Camp, application to be a poll voter, Jr. high records, players attending college and playing volleyball on a new level; also listed poll voters, membership form, and scholarship information (individual & team), coaches (jr. high and high school) that received awards for 100, 200, 300, 400 wins, minutes from the OHSVCA Board meetings, officers, directors, and coordinators as well as news about boys volleyball
- The OHSVCA sponsored a Hospitality Room once again at the state tourney
- At the November Board meeting, Bill Cooperrider gave an update on Boys Volleyball: first day of practice would be March 11, 1996, there were 71 schools in Ohio with boys volleyball teams registered with the OHSAA, state tournament would be held on May 17-18 at St. John's Arena, OSU, boys volleyball was sponsored by the OHSVCA and, therefore, teams must adhere to the rules and regulations of our association
- In November, the OHSVCA agreed to expand the All-Ohio teams to 8-8-8-14 format; Chuck Braden suggested that all varsity coaches vote in the poll by use of a scan sheet; that we form a partnership with the Ohio Valley Region of USA Volleyball, and that an executive director be in charge of all the duties of the OHSVCA to eliminate the workload from active coaches (no action taken)
- There were no OHSVCA Media Award winners for 1995
- **1995 Hall of Fame inductees were Frances C. Eden of Kettering Fairmont and Sonny Lewis of Holland Springfield!**

THE OHSAA VOLLEYBALL TOURNAMENTS: 1990 - 1995

A FEW BRIEF FACTS

- ✓ All schools were/are eligible for the OHSAA Volleyball tournaments as long as they were in good standing with the OHSAA
- ✓ In 1990, the tournament switched from a three class system to four divisions with Division I consisting of the large schools and Division IV consisting of the small schools
- ✓ A school's division was determined by the number of girls in the 9th, 10th, and 11th grades from the previous school year
- ✓ Advancement through the tournament trail was/is as follows: the sectional tournament, the district tournament, the regional tournament (also called the "Sweet Sixteen"); and the state tournament (Final Four)
- ✓ The tournaments are all single elimination tournaments
- ✓ Seeding for the top teams occurs only at the Sectional level
- ✓ The sectional and district tournaments are conducted by the six district boards in the state (Central, Eastern, Northeast, Northwest, Southeast, and Southwest); the regional and state tournaments are under control of the OHSAA
- ✓ Teams were allowed to dress twelve academically eligible players for the tournaments; those twelve could change throughout the tournament as long as they were academically eligible
- ✓ *The first state tournament ticket cost \$2.00, the program .50 cents (1975); in 1990 the programs cost rose to \$2.00 and stayed at that price through 1995; cost to attend the 1990 – 1992 state tournaments was \$5.00 per session*
- ✓ *The 1990 State Volleyball Tournament Program carried a picture of Dolores Billhardt and information about the Memorial Scholarship set up in her name*
- ✓ The 1984 state tournament was the last one to be held at Otterbein College, as the attendance had outgrown the Rike Center; Dr. Jo Ann Tyler had been in charge of the first nine tournaments; in 1985, the tournament moved to the The Ohio State University, St. John Arena for one year with Dr. Phyllis Bailey the tournament manager
- ✓ After 1985, the tournament moved to the University of Dayton with Dr. Elaine Dreidame acting as the tournament manager; the tournament was held at UD through 1990
- ✓ **In 1990, all semi-finals were played on Thursday and Friday and all finals were played on Saturday due to the switch to divisions (eight matches for the semis and four for the finals)**
- ✓ In 1990, the Thursday matches were played at 7:30 and 9:15 p.m. (Division IV); the Friday matches were played at 10:00 and 11:45 a.m. (Division III), 2:00 and 3:45 p.m. (Division II),

6:30 and 8:15 p.m. (Division I); on Saturday, the finals occurred as follows: Division IV at 10:00 a.m., Division III at 12:30 p.m., Division II at 3:30 p.m., and Division I at 6:00 p.m.

- ✓ In 1991, the State Volleyball Tournament was moved to Wright State University, the Nutter Center, and Peggy Wynkoop was the tournament manager; the tournament stayed at WSU through the decade
- ✓ In 1991, slight adjustments were made on the starting times of the matches, and the divisions were then rotated each year so the same divisions were not always playing first on Thursday or last on Saturday

**Cincinnati Our Lady of Angels became St. Bernard Roger Bacon (two schools joined together under the name Roger Bacon)
