The goal of this paper/project is to provide a background regarding the growth of the sport of volleyball in Ohio, to record major information about volleyball and the OHSAA, and to record major information of the OHSVCA. It will be presented during the summers of 2004 through 2008, the OHSVCA's 25th anniversary. **There is one minor change for this final part: it will not be completed until the end of November, 2008, so that all the information for that year will be included.** And, by the way, I have decided to add a part 6 which will be completed in 2009.

This paper will also give coaches/schools access to the history of their school in volleyball in terms of state honors, all-star matches, and state tournament results. If anyone knows of a former coach that coached in the early years of the sport, please let that person know this paper is available on line. Junior high/ middle school and boys' volleyball information will be kept to a bare minimum as my primary interest and concern is with girls' high school volleyball.

A great amount of the information listed below came from a paper I wrote in 1990-1992 while obtaining my masters degree. Many different sources were used to gather this information including the following:

- ✚ Interviews of different individuals around the state concerning volleyball; people interviewed included: Charlotte Basnett (first OHSVCA Executive Secretary), Chuck Braden (New Knoxville), Lucille Burkett (Shaker Heights, DGWS Chair), Hildred Byrkett (Troy), Chuck Dorsey (Jackson), Rod Ebright (Grandview Heights & Sports Imports), Dorothy Edwards (Elida), Diana Ford (Bexley), Lois Harkins (Federal Hocking), Randy Heath (Jackson Journal Herald), Margaret "Peg" Love (Department of Education), Bob MacFarland (Stow), Carol Mertler (Ashland College), Radonna Miller (Upper Arlington), Dr. Deborah Moore (OHSAA), "Bernie" Reinhardt (Lima Shawnee), Char Sharp (Archbold), Agnes Timmons (Barnesville), Dr. Jo Ann Tyler (Otterbein College), and Lori Wagner (Mansfield). **If you know of someone I should interview, please let me know!** I interviewed Sue Brady of Oberlin High School & Kathleen Harris of West Holmes High School the summer of 2005. Coach Brady started teaching in 1958 at Oberlin and began the girls' athletic programs at that school. Coach Harris began the girls' athletic program at West Holmes in the 60's. It was a complete joy to listen to their memories!!!
- ✚ Books written about volleyball and various volleyball magazines

- ✚ The OHSAA office and past issues of their magazine, THE BULLETIN (1922-1940) and THE ATHLETE (1941-2005); also booklets dealing with girls' sports such as "Guidelines for Girls' Sports Programs in Ohio" (1970); and the State Volleyball Tournament programs (1975 – present)
- ✚ My own files, which included information about the Girls' Volleyball Advisory Committee, the Ohio High School Volleyball Coaches Association including the OHSVCA newsletters (1983-2004), planners, and All-Star programs, District 5 Volleyball Coaches Association All-Star Match programs, the National Federation rule books, and bulletins from the OHSAA office
- ✚ The national office of the National Association for Girls' & Women in Sports and the American Alliance for Health, Physical Education, Recreation, and Dance for rule books, and other pieces of pertinent information
- ✚ Donated material from various individuals such as Diana Ford, Margaret Love, Chuck Braden, and Anita Jorney-Gifford
- ✚ Additional help from the OHSAA office and Brandy Young in providing the results of the state tournaments during the '90s

I would like to mention that when the OHSAA stopped sending the magazine, THE ATHLETE to officials, and the OHSVCA decided to stop printing a newsletter, my sources for double checking and confirming information did get a little tougher.

As is always possible, an error could have been made in the spelling of a name, a year, a school name, etc. **I welcome any corrections and/or additions to this information** (see the last page for corrections). Please feel free to contact me at my home address of 29453 TR 212, Fresno, Ohio, 43824 or through our website.

If you have trouble sleeping at night, then this paper is for you!

- At the clinic OHSVCA Board meeting, the following info was also approved/discussed presented: the OHSVCA trademark was to be official by September!; the following was added to the All-Ohio nomination form- other sheets included with the nomination would make it invalid & tournament statistics were not to be included; to receive the individual scholarship certificate, the athlete must be a varsity award winner; raises were given to the position of Award Coordinator and the All-Star Match Coordinator; links were made available for all the districts in the state to the website; trustees were reminded to inform all coaches that an insurance waiver must be on file for all district all-star matches; discussion on Ohio using the libero in 2004; nominees for the Hall of Fame and Lifetime Achievement awards could be presented no more than 5 years in a row
- 2003 newsletters also listed summer camps and tournaments, information on the Elite Camp, application to be a poll voter, Jr. high records; also listed poll voters, membership form, and scholarship information (individual & team), coaches (jr. high and high school) that received awards for 100, 200, 300, 400, 500, and 600 wins, minutes from the

- OHSVCA Board meetings, officers, trustees, and coordinators as well as news about junior high volleyball

 - September/October newsletters carried information about the polls, poll voters, reporting scores, district information, statistical information for the nomination of players for All-Ohio, All-Ohio nomination forms, hotel information for the state tournament; also listed the persons for certain questions in “Who You Gonna Call”
 - Coaches were to contact officers or their district trustees about any concerns in the state about volleyball and a survey that was done online on our website; this was the basis for many of the action/proposals taken by the OHSVCA Board of Trustees during the clinic meetings; proposals were given to the OHSAA for their consideration: 1) in dual match competition, the full 20 minutes of warm up time be mandated at all levels; 2) athletes be allowed 5 games per common opponent for 2004; 3) during a dead ball, coaches be allowed to stand for instruction at the bench during the game; 4) if an ineligible player enters the match, that player will be removed from competition for the day and that game will be forfeited; if that is the deciding game of the match, the match is over; if a player is discovered to have played illegally after the conclusion of the match, the match is forfeited; also, we wanted the scorekeeper to mark in the scorebook the number of games played by each player so the officials are aware of the number of games played
 - Bonnie Page reminded Junior High/Middle School coaches to send in their team records and to inform the OHSVCA when they reached a wins milestone for their award; anyone interested in being on the junior high board should contact the OHSVCA Awards Coordinator, Tom Kohl; the Junior High portion of the Clinic went extremely well
 - The OHSVCA once again had a Hospitality Room at the state tourney which was co-sponsored by the OHSVCA, the Nutter Center and Baden Sports; membership in the OHSVCA was required to enter the Hospitality Room; Final Four pins were given to teams, coaches, and officials during the captains conference during the semifinal matches at the State Tournament
 - **Yoon Ha began working as our webmaster after Mike Seibert retired from coaching and resigning as our webmaster; a huge thank you to Mike for his effort and work on our webpage!**

- **2003 Hall of Fame inductee was Karen Miller of Minford High School! Her name is now added to the plaque at the OHSAA with the names of all of the Hall of Fame inductees; Karen was honored at the All-Star Banquet in November at Wooster HS**
- In November, Dr. Moore spoke about the tourney and other OHSAA issues with the OHSVCA Board; there were 5 unsportsmanlike reports to the OHSAA and 3 reports of good sportsmanship!; volleyball had the highest return of officials ballots (100%) to the OHSAA and the officials rating system was being reviewed again; there was lengthy discussion concerning rally scoring in Ohio for 2004
- **2003 Media Awards were presented to Jim Barstow, The Coshocton Tribune, Steve Large, The Valley Sports Journal, Heath Dawson, Jeff Harrison, Stephanie Peoples, and Darren McCullough of the The Daily Jeffersonian, Jeff Gates, Madison Press, and Judy Asp, Elyria Chronicle Telegram**

- In the December newsletter, President Carol Russo thanked Wooster HS and Anita Jorney-Gifford for an excellent All-Star Weekend; Cathie Kindler, Mike Siebert and Yoon Ha also received kudos for their work on the OHSVCA poll and website; changes were made for future polls to allow more time for voting and a change in the ballot forms to emphasize OHSVCA rules being followed; Carol also reminded coaches of out of season sports regulations, the forms available for SEI Award, Team Scholastic Awards, and Individual Scholastic Awards (a reminder that many of the forms were now due by February 28th); also listed was Elite Camp news, minutes of the November meeting , All-Ohio teams, final polls, and All-Star Match teams; treasurer's report showed an overall balance of \$88,000+ ; recognition went out to retiring trustees Sue Jackson (13), Bunny Brooks (15), Susie Harrison (10), and Dana Rivard (16); replacing them were Craig Axline (13), Betty Cameron (10 & Tina Jasinowksi (15); also retiring from coaching and her position as Junior High trustee, Bonnie Page
- At the December OHSAA Board of Control Meeting, the following OHSVCA Volleyball proposals for 2004 were passed: 1- all dual varsity matches shall be played under the NFHS rules; 2- all varsity and sub-varsity matches are played to 25 points (no cap) and

deciding games are played to 15 points (no cap); 3- all sub-varsity matches shall be best two of three games; 4- varsity teams playing in a 'multiple team' event (tri-matches, quads, tournaments, etc.) will play best two out of three games; 5- Ohio shall ask NFHS to experiment with the 'libero' beginning with the 2004 season; 7- (written by the OHSAA) sub-varsity players are limited to 4 games per common opponent; 8- the OHSAA tournament series, as varsity dual matches, shall be the best three out of five games. The following proposals were denied: 6- eliminate the '18 playing dates regulation and institute 22 matches on 22 playing dates; 8- schools shall play no more than one match per day in the OHSAA tournaments

- ❖ **Brief overview of the significant discussions/decisions/happenings for 2004 in the OHSVCA and volleyball in the state as well as decisions of the OHSAA:**
 - Yearly membership fees for the OHSVCA was \$25.00, lifetime fee at \$200.00 for 2004
 - The division numbers for 2004 were: Division IV- 1-132; Division III-133-221; Division II-222-387; Division I- 388 and up; there were 798 teams playing volleyball in 2004
 - **Ohio would begin playing volleyball under the rally scoring format in 2004; we were an experimental state for the use of the libero on the high school level (not used in the junior high game)**

- At the Winter Work Session for the OHSVCA in March, plans were discussed for: the clinic in August, a complete session on rally scoring/libero, a meeting with our Baden representative, Bri Spiers, long range planning, rubric for salaries, the All-Star Matches, our website, as well as possible changes to the constitution (changes to the constitution/bylaws are voted on by the membership at the clinic's general meeting)
- **With Clair Muscaro's retirement on July 31st, Dan Ross was named as the new OHSAA Commissioner, and he began his duties on August 1st; Mr. Muscaro served as the commissioner for fifteen years; the OHSVCA presented him with a gift certificate**
- The Baden Lexum 15-0 ball was once again the official ball of the OHSAA & OHSVCA; coaching and instruction could begin on August 9th, first match on August 28th
- OHSVCA state clinic was to be held at Westerville South HS on Friday, August 6th, and Saturday, August 7th; main speakers would be Jim Stone of The Ohio State University, and his assistant, Steve Colpus; the clinic would again have the OHSAA rules interpretation meeting for volleyball coaches and officials & scorebooks and rulebooks would be available; OHSVCA apparel would be available for purchase and ordering; cost of the clinic was \$100.00; Embassy Suites was once again the host hotel; Kathy Mercer was in charge of obtaining vendors for the clinic; all district trustees were responsible to get a \$25 door prize for the clinic; info about the clinic would be on the website
- In the seventeenth year of the Scholastic Team Award (all schools that carried a 3.500 gpa were honored) 65 schools qualified and received their certificates at the August clinic and 709 individual athletes received a scholastic achievement certificate
- **The 2004 Lifetime Achievement Award winners were Bonnie Paige of Adena Jr. High and Peg Funchion of Napoleon! Their awards were presented to them at the clinic in August**
- By the end of March, our association showed a total of \$106,916.55 in our treasury; of course, many bills were yet to come with the clinic and all-star banquet/match
- At the April 6, 2004, OHSVCA board meeting, the following items were discussed and (possibly) acted upon: Bri Spiers, Baden representative, spoke to our group about our contract and customer service for Ohio; everyone was reminded that a high school team did not have to use a libero (it was an option), that the libero needed to wear a contrasting color uniform, and a tracker would need to be trained and available; the Events Committee should change their name to the Appropriations Committee (since they

- worked with the budget concerns); elections in August would include the offices of president and treasurer; there were no changes for the constitution; anyone wishing to be a poll voter needed to contact Cathie Kindler; any info for the website needed to be sent to Yoon Ha; Anita Journey-Gifford reminded trustees to inform their coaches that they needed to be a member of the OHSVCA in order for their player to participate in the All-Star Match; info about keeping score for rally scoring was available on the OHSAA website and the Indiana website had a tutorial for scoring; Laura Smith would send flyers out to all senior/junior high schools about the clinic (this would be the last time for Laura to do this); there was discussion about advertising on our website which would be researched by the Appropriations Committee; job descriptions were approved; the name Executive Secretary was changed to Clinic Registration/Membership Coordinator and the Recording Secretary had the word recording dropped from the name; the Drill Book and Webmaster were to be moved to outsource professionals; Hall of Fame nominations were due at the next meeting; Tom Kohl requested that Coaching Record Milestones be submitted to him by July 15th in order to have these awards ready for the clinic
- **At the April 8, 2004 OHSAA Board of Control meeting, it was noted that Sherril Appelfeller, Marion Elgin, was the NFHS Coaches Association State Award recipient for volleyball in 2003**
 - Next Board meeting would be held at Westerville South HS on August 5th; All-Session Passes for the state volleyball tournament were going to be sold at the clinic
 - **The last OHSVCA newsletter, Volume 21, Issue 4, came out in the Spring of 2004**
 - **Over 700 persons pre-registered for the August clinic! Largest number ever!**
 - The OHSAA magazine, THE ATHLETE (August 2004), reminded students that effective for the 2004-2005 school year only those students who were entering grade 9 may enroll in and attend any member school that accepts them; students that were not enrolled in that particular school in 2003-2004 could have an eligibility issue; teams were also allowed to travel out of state one time only per sport per season to compete- provided there was no loss of school time
 - The 2004 All-Star Match Weekend would once again be held at Wooster HS, a 2 day celebration with practice and a banquet on Saturday (November 20) and the matches on Sunday (November 21); Anita Journey –Gifford was once again in charge; the Ways and Means Committee would research possible changes to the all-star matches because of

- rally scoring; coaches and players would receive sweatshirts; Anita was resigning after this All-Star match; 2005 would be held at Hilliard-Davidson HS
- Schools were encouraged to e-mail or call Dr. Moore at the OHSAA with any questions pertaining to uniforms, Federation rules, OHSAA rules on out-of-season play, camps, eligibility, etc.
 - Grace Hutchinson reported that the fourteenth annual Elite Camp was one of the best camps, but was concerned about rising costs; it was held at Ohio Northern University in July; Chuck Braden was assisting; the camp was self-supporting; pins were given to the participants; many college coaches come to watch; as always, she could use more helpers
 - **Scholarship winners for 2003-2004 were: Division I – Ashley Davis, Anderson HS; Division II – Megan Taylor, Lakeview HS; Division III – Kara Hemmelgarn, Versailles HS; Division IV – Elizabeth Homerosky, South Webster HS; and the OHSVCA son/daughter winners were Ben Stewart, Batavia HS and Karli Townsend of Malvern; each winner received \$500.00**
 - **John Matune, our SEI Coordinator to the OHSAA, announced the 2004 SEI Award winner for volleyball was Keith Rinehart of Springfield Shawnee High School; his plaque was given to him at the OHSVCA All-Star Match/Hall of Fame Banquet; Kathy Mercer took over as the SEI Coordinator in November**
 - At the clinic OHSVCA Board meeting, the following info was also approved/discussed presented: this clinic had over 900 persons in attendance; the OHSVCA logo was to be included on as many OHSVCA items as possible to enhance our case for our trademark; Secretary Mindy Meyers reported membership at 1068 (included annual & lifetime); players names would be placed on the All-Ohio plaques, errors in spelling became the coaches responsibility; links were made available for all the districts in the state to the website; trustees were reminded to inform all coaches that an insurance waiver must be on file for all district all-star matches; discussion on Ohio using the libero in 2004; Cathy Ames presented Carol Russo and Deborah Moore the first part of the history of Ohio volleyball; the history was going to be done over five years and finish up with our 25th anniversary; the history is located on line; Sports Imports was our entitlement sponsor for our website; discussion was occurring about the OHSAA ‘flash’ photography proposal; a job target sheet was given to the trustees to assist them in their duties; voting for the polls was going to be on line in 2004; All-Ohio nominations could occur on line, but voting would be done by snail mail; match results could be posted on line

- Our website also provided information on the Elite Camp, application to be a poll voter, Jr. high records, a list of poll voters, membership form, and scholarship information (individual & team), coaches (jr. high and high school) that received awards for 100, 200, 300, 400, 500, and 600 wins, minutes from the OHSVCA Board meetings, officers, trustees, and coordinators as well as news about junior high volleyball
- Tournament info for 2004 was to be found on the OHSAA website as well as Board of Control minutes; the OHSAA decided not to raise the compensation for the volleyball officials for the regional and state tournaments even with the change to rally scoring- it was a 'wait and see' decision; volleyball records and statistics were being kept by the OHSAA and were unofficial; they had to be submitted by an athletic administrator or a media member or a fan with documentation to verify the validity of the record
- Information about the polls, poll voters, reporting scores, district information, statistical information for the nomination of players for All-Ohio, All-Ohio nomination forms, hotel information for the state tournament were found on the OHSVCA website; also listed the persons to contact for questions in various areas of concerns
- Coaches were to contact officers or their district trustees about any concerns in the state about volleyball and a survey that was done online on our website; this was the basis for many of the action/proposals taken by the OHSVCA Board of Trustees during the clinic meetings; length of varsity matches were running anywhere from an hour to two hours depending on how many games were played by the competing schools; proposals were given to the OHSAA for their consideration
- Cheryl Palidar reminded Junior High/Middle School coaches to send in their team records and to inform the OHSVCA when they reached a wins milestone for their award; anyone interested in being on the junior high board should contact the OHSVCA Awards Coordinator, Tom Kohl; the Junior High portion of the Clinic went extremely well
- The OHSVCA once again had a Hospitality Room at the state tourney which was co-sponsored by the OHSVCA, the Nutter Center and Baden Sports; membership in the OHSVCA was required to enter the Hospitality Room; Final Four pins were given to teams, coaches, and officials during the captains conference during the semifinal matches at the State Tournament
- **2004 Hall of Fame inductees were Patty Pease of Fairbanks High School and Dan Smith of Ridgewood High School! Their names were added to the plaque at the**

- OHSAA with the names of all of the Hall of Fame inductees; Patty and Dan were honored at the All-Star Banquet in November at Wooster HS**
- In November, Dr. Moore spoke about the tourney and other OHSAA issues with the OHSVCA Board; a survey dealing with rally scoring was presented for possible changes to recommend to the OHSAA
 - **2004 Media Award was presented to Matt Hammond, Bellefontaine Examiner**
 - Carol Russo would be attending the AVCA national convention on behalf of Ohio and the OHSVCA
 - The OHSVCA proposed the following to the OHSAA: that schools be allowed to play 22 matches on 20 playing dates (assisted schools that are locked into 16-17 playing dates because of their conference and would allow for more 3 out of 5 matches); that players be allowed five games per day per common opponent as opposed to four
 - The OHSAA recommended that the Baden 15-0 continue as the official ball in 2005 and Wright State University continue to host the state tournament

- ❖ The 22nd State All-Star Matches/Hall of Fame/All-Ohio Banquet were held at Wooster High School, and it was a two day affair: on Saturday, November 20th, the players had their practice at WHS from 2:00 pm to 5:00 pm; in the evening at 6:30 pm, a banquet was held and the following persons were honored: the All-Star Match players, coaches, the newly elected Hall of Fame members and Volleyball SEI winner; the matches occurred on Sunday, November 21st; Anita Journey-Gifford was the All-Star Match Coordinator
 - Players represented the 16 districts around the state and were all-stars in their districts
 - If a district did not have a senior all-star player, a player was selected from the list of senior All-Ohio players to participate in the match
 - Coaches were selected from the statewide All-Ohio balloting; the top two vote getters for Coach of the Year in each division were asked to participate in the All-Star Matches; if a coach was unable to participate, the person receiving the next highest amount of votes was tapped; there is a 3 year waiting period before a coach may repeat as a State All-Star team coach
 - Officials and line judges for the day included: Linda Baker, Keith Edwards, Keith Fisher, Galen Harris, Dave Miller, Phyllis Morgan, Cynthia Saling, and Sue Uebel
 - Thanks also went out to Wooster HS for hosting the event, Jack Craig and the Wayne County Convention & Visitor's Center, and to the Wooster All-Sports Booster Club
 - The time schedule for the day was:
 - 12:00 – presentation of awards (included Poll Champions, All-Star Match Officials, Media Awards, All-Ohio teams, the Coaches Outstanding Achievement Awards & Coaches of the Year)
 - 12:30 p.m. – Division II and I matches followed by Division III and IV matches

- ❖ Brief overview of the significant discussions/decisions/happenings for 2005 in the OHSVCA and volleyball in the state through decisions of the OHSAA:**
- Yearly membership fees for the OHSVCA was \$25.00, lifetime fee at \$200.00
 - The division numbers for 2005 were: Division IV- 1-126; Division III-127-223; Division II-224-399; Division I- 400 and up; there were 801 teams playing volleyball in 2005

- **Ohio continued playing volleyball under the rally scoring format in 2005; varsity level played the best 3 out of 5 in dual matches; sub varsity matches played the best 2 out of 3 in all matches**
- **The OHSAA allowed our proposal of 22 matches on 20 playing dates in 2005, but denied the switch to 5 games per day per common opponent for any player participating in sub varsity competition**
- At the Winter Work Session for the OHSVCA in March: plans were discussed for the clinic in August including CAP being involved with the clinic; we listened to Scott Ebright talk about Boys' Volleyball; Pres. Russo informed us Doug Beal would be at the 25th Anniversary Banquet; there was long range planning for our association; the All-Star Matches would be held at Hilliard-Davidson and Dave Holtsberry would be the coordinator; we discussed our website and some issues with it; we discussed poll voters and voting on line; discussion on length of matches survey, as well as possible changes to the constitution (changes to the constitution/bylaws are voted on by the membership at the clinic's general meeting); it was discussed that the OHSVCA president and treasurer should be bonded
- The Baden Lexum 15-0 ball was once again the official ball of the OHSAA & OHSVCA, but had to be branded with the OHSAA/OHSVCA logos; coaching and instruction could begin on August 8th, first match on August 27th
- OHSVCA state clinic was to be held at Westerville South HS on Friday, August 5th, and Saturday, August 6th; main speakers would be Ray Gooden of Northern Illinois University, and Geoff Carlston of Ohio University; the clinic would again have the OHSAA rules interpretation meeting for volleyball coaches and officials & scorebooks and rulebooks would be available; Embassy Suites was once again the host hotel; Kathy Mercer was in charge of obtaining vendors for the clinic; all district trustees were responsible to get a \$25 door prize for the clinic; info about the clinic would be on the website
- In the eighteenth year of the Scholastic Team Award (all schools that carried a 3.500 gpa were honored) 70 schools qualified and received their certificates at the August clinic and 642 individual athletes received a scholastic achievement certificate
- **The 2005 Lifetime Achievement Award winner was Robert Shansky of East Liverpool High School! His award was presented to him at the clinic in August**

- April 10, 2005, our association showed a total of \$144,000+ in our treasury; of course, many bills were yet to come with the clinic and all-star banquet/match, and this included a CD to help pay for the 25th Anniversary Banquet coming in 2008
- At the April 13, 2005, OHSVCA board meeting, the following items were discussed and (possibly) acted upon: Dr. Moore of the OHSAA informed us their would be a manual for coaches and officials coming with the rulebooks; the NFHS asked Ohio to be an experimental state in 2005 to allow the coach to stand at their bench during a dead ball; libero would be official in 2006; there would be a change in the evaluation procedure for the selection of tournament officials (coach, athletic directors, local associations, league assigners, district athletic boards, and the OHSAA; elections in August would include the offices of vice-president and secretary; Carol reminded coaches to send situations or concerns about officiating or rules to her; anyone wishing to be a poll voter needed to contact Cathie Kindler; any info for the website needed to be sent to Yoon Ha; Anita Journey-Gifford reminded trustees to inform their coaches that they needed to be a member of the OHSVCA in order for their player to participate in the All-Star Match; Carol encouraged the trustees to go back to their districts and see if more individuals should be considered for the Hall of Fame, SEI Award, and the Lifetime Achievement Award; schools needed to be more aware of eligibility concerns with a school closing or a student moving; there would be a social time at the Embassy Suites on Friday for persons coming to the clinic and staying at the Embassy Suites; Tom Kohl requested that Coaching Record Milestones be submitted to him by July 15th in order to have these awards ready for the clinic & he let us know that crystal volleyballs were no longer available for the 500 plateau winners- awards needed to be revised; the OHSVCA trademark was still an issue in the Spring of 2005; districts needed to use the website to help get information to their coaches; Division I coaches were going to be allowed to coach at the Elite Camp once again; Ways and Means committee presented some concerns with the poll, voting, and the website; constitution amendments would be voted on in August: to allow a school/coach a one year grace period when their school closed or dropped a program because of funding, the secretary and treasurer could be an associate member, but the president and vice-president had to be an active member; all levels were to keep track of their length of all their matches and submit to the OHSVCA; schools could apply for an equipment grant through the OHSVCA

- Next Board meeting would be held at Westerville South HS on August 4th; All-Session Passes for the state volleyball tournament were going to be sold at the clinic
- **Over 600 persons pre-registered for the August clinic!**

- Schools were encouraged to e-mail or call Dr. Moore at the OHSAA with any questions pertaining to uniforms, Federation rules, OHSAA rules on out-of-season play, camps, eligibility, etc.
- Grace Hutchinson reported that the fifteenth annual Elite Camp was a successful camp & Jim Stone (OSU) enjoyed it very much; it was held at Ohio Northern University in July; Chuck Braden was assisting; the camp was self-supporting; pins were given to the participants; many college coaches came to watch; Grace reminded us that jr. high/ middle school coaches could go to assist as gofers
- **Scholarship winners for 2004-2005 were: Division I – Sarah Garner, Westlake HS; Division II – Amanda Tedrick, Goshen HS; Division III – Katie Weininger, Mohawk HS; Division IV – Kelsey Schaffer, Marion HS; and the OHSVCA son/daughter winners were Rachel Rafailedes, Canal Fulton Northwest HS and Joseph Russo of Elyria HS; each winner received \$500.00**
- **Kathy Mercer, our SEI Coordinator to the OHSAA, announced the 2005 SEI Award winner for volleyball was Monica Vanderhorst of St. Marys Memorial High School; her plaque was given to her at the OHSVCA All-Star Match/Hall of Fame Banquet**
- At the clinic OHSVCA Board meeting, the following info was also approved/discussed presented: the OHSVCA trademark was to be included on as many OHSVCA items as possible and the trademark was still not approved; Secretary Mindy Meyers reported membership at 979 (included annual & lifetime); Cathy Ames presented Carol Russo and Deborah Moore the second part of the history of Ohio volleyball; the history was going to be done over five years and finish up with our 25th anniversary; the history is located on line; Sports Imports provided lanyards for the clinic & Merrin Athletics provided the shirts for the clinic and the OHSVCA Board; discussion occurred about the length of matches and officials felt they should be paid more, the new bench rule; a job target sheet

- was given to the trustees to assist them in their duties; voting for the polls was going to be on line; All-Ohio nominations would occur on line, but voting would be done by snail mail; match results could be posted on line; pay rubrics were finished
- Our website also provided information on the Elite Camp, application to be a poll voter, Jr. high records, a list of poll voters, membership form, and scholarship information (individual & team), coaches (jr. high and high school) that received awards for 100, 200, 300, 400, 500, and 600 wins, minutes from the OHSVCA Board meetings, officers, trustees, and coordinators as well as news about junior high volleyball; also, information about reporting scores, district information, statistical information for the nomination of players for All-Ohio, All-Ohio nomination forms, hotel information for the state tournament; also listed the persons to contact for questions in various areas of concerns
 - Tournament info for 2005 was to be found on the OHSAA website as well as Board of Control minutes; volleyball records and statistics were being kept by the OHSAA and were unofficial; they had to be submitted by an athletic administrator or a media member or a fan with documentation to verify the validity of the record
 - Coaches were to contact officers or their district trustees about any concerns in the state about volleyball; this was the basis for many of the action/proposals taken by the OHSVCA Board of Trustees during the clinic meetings; length of varsity matches were running anywhere from an hour to two hours depending on how many games were played by the competing schools
 - Cheryl Palidar reminded Junior High/Middle School coaches to send in their team records and to inform the OHSVCA when they reached a wins milestone for their award; anyone interested in being on the junior high board should contact the OHSVCA Awards Coordinator, Tom Kohl; the Junior High portion of the Clinic went extremely well
 - The OHSVCA once again had a Hospitality Room at the state tourney which was co-sponsored by the OHSVCA, the Nutter Center and Baden Sports; membership in the OHSVCA was required to enter the Hospitality Room; Final Four pins were given to teams, coaches, and officials during the captains conference during the semifinal matches at the State Tournament
 - **2005 Hall of Fame inductees were Sue Deas of West Branch High School and Mike Chaffee of Windham High School! Their names were added to the plaque at the OHSAA with the names of all of the Hall of Fame inductees; Sue and Mike were honored at the All-Star Banquet in November at Hilliard Davidson HS**

- In November, Dr. Moore spoke about the tourney and other OHSAA issues with the OHSVCA Board; a survey dealing with rally scoring was presented for possible changes to recommend to the OHSAA; Mindy Myers resigned as the secretary and Erin Mayne from Upper Arlington served the remaining term of office; by October 31, there was a balance of \$88,000 in our checking and savings account; plans were finalized for the All-Star Matches at Hilliard Davidson

- ❖ The 23rd State All-Star Matches/Hall of Fame/All-Ohio Banquet were held at Hilliard Davidson High School, Hilliard, Ohio and it was a two day affair: on Saturday, November 19th, the players had their practice from 2:00 pm to 5:00 pm; in the evening at 6:30 pm, a banquet was held and the following persons were honored: the All-Star Match players, coaches, the newly elected Hall of Fame members and Volleyball SEI winner; the matches occurred on Sunday, November 20th; Dave Holtsberry was the All-Star Match Coordinator

- ❖ **Brief overview of the significant discussions/decisions/happenings for 2006 in the OHSVCA and volleyball in the state as well as decisions of the OHSAA:**
 - Yearly membership fees for the OHSVCA was \$25.00, lifetime fee at \$200.00
 - The division numbers for 2006 were: Division IV- 1-126; Division III-127-223; Division II-224-399; Division I- 400 and up

- **Ohio continued playing volleyball under the rally scoring format in 2006; it was apparent that rally scoring was not going away**
- At the Winter Work Session for the OHSVCA in March: plans were discussed for the clinic in August; Pres. Russo reminded us Doug Beal would be at the 25th Anniversary Banquet and would be our keynote speaker; Doug Beal had expressed to Carol that he would like to see the boys join with the girls coaches association in volleyball; Bob Price suggested that the boys coaches association have their clinic with the OHSVCA; Carol was going to go to the Boys' Coaches Association meeting; the OHSVCA supports the Boys Association, but does not want to become financially tied to them; we asked the OHSAA Board of Control to allow the 3rd game (when playing 2 out of 3, all levels) be played to 25 points; the All-Star Matches would once again be hosted by Wooster as they were the only school to put a bid in to host; discussion on items for the 25th anniversary- needed to have our logo on them; discussion about going to the use of C-Vent to take care of our clinic registration, all-star match registration, and to develop a membership database- there would be a general fee and a fee per member; the OHSVCA had an application for an equipment grant to schools for \$1500.00
- The Baden Lexum 15-0 ball was once again the official ball of the OHSAA & OHSVCA, and had to have the OHSAA/OHSVCA logos on the ball; coaching and instruction could begin on August 7th, first match on August 26th
- OHSVCA state clinic was to be held at Westerville Central HS on Friday, August 4th, and Saturday, August 5th; main speakers would be Rob Patrick of the University of Tennessee, and Geoff Carlston of Ohio University; the clinic would again have the OHSAA rules interpretation meeting for volleyball coaches and officials & scorebooks and rulebooks would be available; Embassy Suites was once again the host hotel; Kathy Mercer was in charge of obtaining vendors for the clinic; all district trustees were responsible to get a \$25 door prize for the clinic; info about the clinic would be on the website
- **The OHSAA approved our proposal of playing to 25 points in the 3rd game of a 2 out of 3 game format for 2006; Ohio would be experimenting with having the libero serve in one rotation (not on the the junior high/middle school level)**
- In the nineteenth year of the Scholastic Team Award (all schools that carried a 3.500 gpa were honored) 83 schools qualified and received their certificates at the August clinic and 700+ individual athletes received a scholastic achievement certificate

- **The 2006 Lifetime Achievement Award winner was Mark Williams of Pandora-Gilboa High School! His award was presented to him at the clinic in August**
- At the April, 2006, OHSVCA board meeting, the following items were discussed and (possibly) acted upon: Dr. Moore of the OHSAA informed us their would be a manual for coaches and officials coming with the rulebooks; the NFHS asked Ohio to be an experimental state in 2006 to allow the libero to serve for one player; elections in August would include the offices of president and treasurer; Carol reminded coaches to send situations or concerns about officiating or rules to her; anyone wishing to be a poll voter needed to contact Cathie Kindler; any info for the website needed to be sent to Yoon Ha; trustees were to remind their coaches that they needed to be a member of the OHSVCA in order for their player to participate in the All-Star Match; Carol encouraged the trustees to go back to their districts and see if more individuals should be considered for the Hall of Fame, SEI Award, and the Lifetime Achievement Award; there would be a social time at the Embassy Suites on Friday for persons coming to the clinic and staying at the Embassy Suites; Tom Kohl requested that Coaching Record Milestones be submitted to him earlier that July in order to have these awards ready for the clinic & rings or a lamp were available for coaches with 600 wins; the OHSVCA trademark was still an issue in the Spring of 2006; districts needed to use the website to help get information to their coaches; schools could apply for an equipment grant through the OHSVCA; next Board meeting would be held at Westerville Central HS on August 3rd; All-Session Passes for the state volleyball tournament were going to be sold at the clinic
- **617 persons pre-registered for the August clinic!**
- The 2006 All-Star Match Weekend would return to Wooster HS, a 2 day celebration with practice and a banquet on Saturday (November 18) and the matches on Sunday (November 19); Anita Jorney-Gifford would return as the coordinator of the event; sweatshirts would once again be given to the participants
- Schools were encouraged to e-mail or call Dr. Moore at the OHSAA with any questions pertaining to uniforms, Federation rules, OHSAA rules on out-of-season play, camps, eligibility, etc.
- **Scholarship winners for 2005-2006 were: Division I – Sally Ogle, Lakota West HS; Division II – Laura Schumaker, Shawnee HS; Division III – Tracy Needham, Marion River Valley HS; Division IV – Leslie Hoelscher, Fort Loramie HS; and the**

- **Kathy Mercer, our SEI Coordinator to the OHSAA, announced the 2006 SEI Award winner for volleyball was Tracey Kornau of Lakota West High School; her plaque was given to her at the OHSVCA All-Star Match/Hall of Fame Banquet**
 - At the clinic OHSVCA Board meeting, the following info was also approved/discussed presented: Secretary Erin Mayne reported membership at 1300, but there were duplicates in her list which needed to be updated and cleaned up (included annual & lifetime); Erin also did the name tags for the clinic which included a receipt for the coaches; Kaye Keller presented the treasurer's report showing a total in our checking and savings accounts of \$125,000.00 (bills would begin to roll in from the Elite Camp, the clinic and the upcoming All-Star weekend); Cathy Ames presented Carol Russo and Deborah Moore with the third part of the history of Ohio volleyball; the history was going to be done over five years and finish up with our 25th anniversary; the history is located online; Merrin Athletics provided the shirts for the clinic and the OHSVCA Board; a job target sheet was given to the trustees to assist them in their duties; there was a record number of vendors registered for the clinic- 26; thank you notes were received from two of the scholarship recipients and read to the trustees; Scott Taylor reported that the sixteenth annual Elite Camp was successful once again and the talent was continuing to be better and many college coaches came to watch; Yoon Ha was overloaded with work and was considering resigning as webmaster- Tom Kohl agreed to assist; the basketball coaches revamped one of our proposals on playing time to get more time for their sport; Kathy DeBoer was at our meeting representing the AVCA as we considered a partnership with them; proposal from the OHSAA on strobe flash photography was discussed- only for use by professional photographers; coaches were asked to keep track of their length of time for all games/matches this year because of the change in the 2 out of 3 games scoring; Dr. Moore discussed the fact that this was the 100th year for the OHSAA and state championship coaches would be recognized in a brief ceremony before each state championship match on Saturday; Cathy Ames was to get info to Dr. Moore to assist her on some of the history for the 100th Anniversary; Dr. Moore also informed us there was discussion on dropping the Thursday night semis (we obviously expressed our displeasure at this consideration); we were considering a mentoring program for coaches and we decided to add a clinic assistant as Bob Price was preparing in a year or two to

- retire from the clinic coordinator position- Bob would work with them to train him/her for the clinic position; every effort would be made to keep the clinic at Westerville; we were looking to change hotels as there had been problems with the Embassy Suites; the use of C-Vent for on line registrations was still being discussed with several issues to be discussed & resolved; there were issues in using the students as demonstrators at the clinic due to OHSAA/NCAA rules; the Baden ball contract was up for review; an evaluation of the clinic would be made available on line; 761 coaches attended!
- Our website also provided information on the Elite Camp, application to be a poll voter, Jr. high records, a list of poll voters, membership form, and scholarship information (individual & team), coaches (jr. high and high school) that received awards for 100, 200, 300, 400, 500, and 600 wins, minutes from the OHSVCA Board meetings, officers, trustees, and coordinators as well as news about junior high volleyball; also, information about reporting scores, district information, statistical information for the nomination of players for All-Ohio, All-Ohio nomination forms, hotel information for the state tournament; also listed the persons to contact for questions in various areas of concerns
 - Tournament info and seeding for 2006 was to be found on the OHSAA website as well as Board of Control minutes; all districts were to have their draw meeting on a same universal date; volleyball records and statistics were being kept by the OHSAA and were unofficial; they had to be submitted by an athletic administrator or a media member or a fan with documentation to verify the validity of the record
 - Coaches were to contact officers or their district trustees about any concerns in the state about volleyball; this was the basis for many of the action/proposals taken by the OHSVCA Board of Trustees during the clinic meetings
 - Cheryl Palidar reminded Junior High/Middle School coaches to send in their team records and to inform the OHSVCA when they reached a wins milestone for their award; anyone interested in being on the junior high board should contact the OHSVCA Awards Coordinator, Tom Kohl; the Junior High portion of the Clinic went extremely well
 - The OHSVCA once again had a Hospitality Room at the state tourney which was co-sponsored by the OHSVCA, the Nutter Center and Baden Sports; membership in the OHSVCA was required to enter the Hospitality Room; Final Four pins were given to teams, coaches, and officials during the captains conference during the semifinal matches at the State Tournament

- **2006 Hall of Fame inductee was Mike Seibert of Norwood & Cincinnati Ursuline Academy High Schools! His name was added to the plaque at the OHSAA with the names of all of the Hall of Fame inductees; Mike was honored at the All-Star Banquet in November at Wooster HS**
- At the November OHSVCA Board Meeting, Dr. Moore spoke about the tourney and other OHSAA issues with the OHSVCA Board; we were going to be looking into a possible new ball contract; the OHSAA was going to continue to look at the Thursday night matches being absorbed into Friday; Carol Russo asked about having two sets of semis on Thursday and two on Friday- Dr. Moore said this could be given consideration; the surveys showed a positive regard towards high schools using the libero; we were reminded that Bylaw 10 (OHSAA) placed no restrictions on seniors; there were only 2 ejections of volleyball coaches this fall; the OHSAA was still working with the officials rating on line (officials needed to put their schedules into the computer); Dr. Moore recognized Carol Russo as the nominee for National Federation Coach of the Year; coaches that had made significant and impacting contributions to the game of volleyball would be honored; to help celebrate the OHSAA's 100th year of service to athletics in Ohio, multiple state championship coaches and selected players from those teams would be acknowledged at the state tourney; a Centennial article would be placed in the Plain Dealer; the Komen Foundation was working with volleyball coaches to run a fundraiser in 2007 to support Breast Cancer Awareness (Sycamore HS ran a fundraiser using a 'pink' theme; Kaye Keller let us know money was being set aside for the use of C-Vent (\$5000.00); a master contact list needed to be updated; a Christmas card list was being put together for principals of the schools of our board members; all forms on the website were being updated; survey results were available regarding the libero, officials' ratings, and tournament warm-up; Carol informed us the new commissioner was a volleyball person and our relationship with the board has been very positive; the Winter Work Session/Spring Meeting for 2007 already had several items on the agenda (clinic, Volley for the Cure, etc); Anita Journey-Gifford reported on the status of the All-Star Match weekend and the responsibilities for the trustees; Carol talked for Bob Price about the need for a clinic assistant and Carol also presented poll/All-Ohio issues for Cathie Kindler; Tom Kohl had all the awards ready; concerns were voiced about 'home court' advantage during tournaments, especially teams getting to play the Districts, Regionals at the state tournament site; discussion continued about advertising on our website

- (researched by Mark Williams and Kaye Keller); the OHSVCA survey showed that the coaches supported the libero serving and coaches wanted a change in the warm-up procedure to a possible 4-7-7-2; Yoon Ha was finished as our webmaster and the search was on for a new person to take over; Ohio was looking into teaming with the AVCA
- o Carol Russo would be attending the AVCA national convention on behalf of Ohio and the OHSVCA

- ❖ The 24th State All-Star Matches/Hall of Fame/All-Ohio Banquet was once again held at Wooster High School, Wooster, Ohio, and it was a two day affair: on Saturday, November 18th, the players had their practice from 2:00 pm to 5:00 pm; in the evening at 6:30 pm, a banquet was held and the following persons were honored: the All-Star Match players, coaches, the newly elected Hall of Fame members and Volleyball SEI winner; the matches occurred on Sunday, November 19th; Anita Journey-Gifford was the All-Star Match Coordinator
 - Players represented the 16 districts around the state and were all-stars in their districts
 - If a district did not have a senior all-star player, a player was selected from the list of senior All-Ohio players to participate in the match
 - Coaches were selected from the statewide All-Ohio balloting; the top two vote getters for Coach of the Year in each division were asked to participate in the All-Star Matches; if a coach was unable to participate, the person receiving the next highest amount of votes was tapped; there is a 3 year waiting period before a coach may repeat as a State All-Star team coach
 - Officials and line judges for the day included: Linda Baker, Joyce Garn, Galen Harris, Diane Hood, Anne L'Heureux, Wayne Roller, Michael Rouse, and Sue Uebel
 - Thanks also went out to Wooster HS for hosting the event, Jack Craig and the Wayne County Convention & Visitor's Bureau!
 - The time schedule for the day was:
 - 12:00 – presentation of awards (included Poll Champions, All-Star Match Officials, Media Awards, All-Ohio players, the Coaches Outstanding Achievement Awards & Coaches of the Year)

- ❖ The 25th State All-Star Matches/Hall of Fame/All-Ohio Banquet was once again held at Wooster High School, Wooster, Ohio and it was a two day affair: on Saturday, November 17th, the players had their practice from 2:00 pm to 5:00 pm; in the evening at 6:30 pm, a banquet was held and

the following persons were honored: the All-Star Match players, coaches, the newly elected Hall of Fame members and Volleyball SEI winner; the matches occurred on Sunday, November 18th; Anita Jorney-Gifford was the All-Star Match Coordinator

- Players represented the 16 districts around the state and were all-stars in their districts
- If a district did not have a senior all-star player, a player was selected from the list of senior All-Ohio players to participate in the match
- Coaches were selected from the statewide All-Ohio balloting; the top two vote getters for Coach of the Year in each division were asked to participate in the All-Star Matches; if a coach was unable to participate, the person receiving the next highest amount of votes was tapped; there is a 3 year waiting period before a coach may repeat as a State All-Star team coach
- Officials and line judges for the day included: Galen Harris, Diane Hood, Deborah Julian, Lovell McKee, Madelyn Rodriguez, Michael Rouse, Stella Rouse, and Daniel Shadburn
- Thanks also went out to Wooster HS for hosting the event, Jack Craig and the Wayne County Convention & Visitor's Bureau!
- The time schedule for the day was:
 - 12:00 – presentation of awards (included Poll Champions, All-Star Match Officials, Media Awards, All-Ohio players, the Coaches Outstanding Achievement Awards & Coaches of the Year)

- Tournament info and seeding for 2008 was to be found on the OHSAA website as well as Board of Control minutes; all districts were to have their draw meeting on a same universal date; volleyball records and statistics were being kept by the OHSAA and were unofficial; they had to be submitted by an athletic administrator or a media member or a fan with documentation to verify the validity of the record

A FEW BRIEF FACTS

- ✓ All schools were/are eligible for the OHSAA Volleyball tournaments as long as they were in good standing with the OHSAA
- ✓ In 1990, the tournament switched from a three class system to four divisions with Division I consisting of the large schools and Division IV consisting of the small schools
- ✓ A school's division was determined by the number of girls in the 9th, 10th, and 11th grades from the previous school year (the method to determine class had been based upon the upper three grades for a period of time)
- ✓ Advancement through the tournament trail was/is as follows: the sectional tournament, the district tournament, the regional tournament (also called the "Sweet Sixteen"); and the state tournament (Final Four)
- ✓ The tournaments are all single elimination tournaments
- ✓ Seeding for the top teams occurs only at the Sectional level
- ✓ The sectional and district tournaments are conducted by the six district boards in the state (Central, Eastern, Northeast, Northwest, Southeast, and Southwest); the regional and state tournaments are under control of the OHSAA
- ✓ Teams were allowed to dress **fifteen** academically eligible players for the tournaments; those fifteen could change throughout the tournament as long as they were academically eligible
- ✓ **The first state tournament ticket cost \$2.00, the program .50 cents (1975); in 1990 the programs cost rose to \$2.00 and stayed at that price through 2002; cost to attend the 1990 – 1992 state tournaments was \$5.00 per session; in 2003 the cost of the program was raised to \$3.00; cost of the 2004 state tournament was \$7.00 per session; in 2005, the cost was \$9.00 per session or \$7.00 presale for participating schools; in 2008, cost of each session was \$9.00 and the cost of the program was \$4.00**
- ✓ **The 1990 State Volleyball Tournament Program carried a picture of Dolores Billhardt and information about the Memorial Scholarship set up in her name**
- ✓ The 1984 state tournament was the last one to be held at Otterbein College, as the attendance had outgrown the Rike Center; Dr. Jo Ann Tyler had been in charge of the first nine tournaments; in 1985, the tournament moved to the The Ohio State University, St. John Arena for one year with Dr. Phyllis Bailey the tournament manager
- ✓ After 1985, the tournament moved to the University of Dayton with Dr. Elaine Dreidame acting as the tournament manager; the tournament was held at UD through 1990

- ✓ In 1991, the State Volleyball Tournament was moved to Wright State University, the Nutter Center, and Peggy Wynkoop was the tournament manager through 1994; Fred Durkle was tourney manager in 1995 and Peggy Wynkoop returned as manager in 1996 and 1997 because of Mr. Durkle's passing; the tournament has stayed at WSU through 2008 and Max Benton has been the tourney host since 1998
- ✓ **In 1990, all semi-finals were played on Thursday and Friday and all finals were played on Saturday due to the switch to divisions (eight matches for the semis and four for the finals)**
- ✓ In 1990, the Thursday matches were played at 7:30 and 9:15 p.m. (Division IV); the Friday matches were played at 10:00 and 11:45 a.m. (Division III), 2:00 and 3:45 p.m. (Division II), 6:30 and 8:15 p.m. (Division I); on Saturday, the finals occurred as follows: Division IV at 10:00 a.m., Division III at 12:30 p.m., Division II at 3:30 p.m., and Division I at 6:00 p.m.
- ✓ In 1991, slight adjustments were made on the starting times of the matches, and the divisions were then rotated each year so the same divisions were not always playing first on Thursday or last on Saturday
- ✓ **The 2004 tournament marked the first state tourney played under rally scoring rules; because of the inability to predict starting times after the first semifinal match(es), times were not assigned; Thursday evening the first Division I match started at 6:00 with the second semi to begin 30 minutes after the end of the previous match; on Friday, Division IV started at 11:00 am followed by Division III and then Division II (needless to say, it was a late night); the finals on Saturday were assigned starting times with Division I played at 11:00 am, Division IV at 1:30 pm, Division III at 4:00 pm, and Division II at 7:00 pm; the rolling time schedule continued in the following years of 2005-2007**
- ✓ **The 2006 state tournament also was a time of recognition for the OHSAA; this was their 100th year of service to Ohio and part of their celebration included recognizing many of the highly successful volleyball state championship coaches before the finals of their respective divisions; many of the coaches brought one of their student/athletes with them to enjoy this honor**
- ✓ **The OHSAA made a very important change to the 2008 State Tournament: there would be two divisions playing their semi-finals on Thursday and the other two divisions would play their semi-finals on Friday; all division finals would be played on Saturday**

A BRIEF OVERVIEW OF THE MAJOR

RULES AND REGULATIONS IN VOLLEYBALL 2003 -2008

(National Federation Rules and the Ohio High School Athletic Association)

- In 1974, the state of Ohio switched from the DGWS Rulebook for Volleyball to the National Federation of State High School Associations edition of volleyball rules
- The rules of the National Federation will be indicated with a **checkmark** and come from the front of each of the rulebooks to indicate major rule changes for that year
- Rules and regulations of the OHSAA will be indicated with an **arrow**
- In 1984, the Publicity Chairman for Ohio was Hank Zaborniak, Jr. He was in charge of spreading information pertaining to officials and the officiating program in Ohio to the entire nation
- Rules interpreters were Deborah Moore, Steve Trout, Diane Plas, and Keith Fisher
- The NFHS began sending a Volleyball Guide booklet for the officials; it was published by Referee Enterprises, Inc. in cooperation with the NFHS

2003: Sheryl Solberg was the chairwoman; rulebook consisted of twelve rules, rationale for major rule revisions, comments on the rules, points of emphasis, instructions for the scorekeeper, scoresheet, line-up sheet, officials signals, approved volleyballs, National Federation videos and publications, and the index to rules; number of pages- 59; the case book was 94 pages long

- ✓ Effective no later than 2004-2005 the scoring format shall be rally scoring, with the following components:
 - 3 out of 5 games
 - 25 point games (no cap)
 - 15 point deciding game (no cap)
 - include a let serve
 - 2 time outs per game (no extra time out during ‘overtime’)

Rationale- scoring preference for high school volleyball (I will mention at this time that Ohio was one of the last states to adopt rally scoring)

- ✓ Upon entering the facility, the home team shall select its team bench
Rationale- encourages good sportsmanship by pre-determining the bench
- ✓ The visiting captain shall call the toss and the winner chose either to serve or receive
Rationale- encourages good sportsmanship by pre-determining the caller

- ✓ The home captain called the coin toss for the deciding game of a match; the winner got to choose serve, receive, or side of court; the loser of the toss was given the remaining choice
Rationale- pre-determining who called the toss in the deciding game kept the flow and order of all matches consistent
- ✓ Players were not to wear jewelry during pre-match warm-ups (except religious or medical medals taped to the body under the uniform) as well as the match
Rationale- rule compliance for no jewelry during competition as well as warm-ups
- ✓ Uniforms were to be worn as intended by the manufacturers
Rationale- consistent with uniform restrictions in other rule codes
- ✓ Placed so the top of the number on the front of the uniform is no more than 5 inches down from the shoulder seam; or placed so the number is entered no more than 2 inches below the neckline opening on the upper body or no more than 2 inches below the bottom edge of the neckline ribbing on the uniform top
Rationale-uniform sales personnel indicated the manufacturers cannot place a number 2 inches from the neckline opening because of the ribbing around the neckline opening
- ✓ A live ball becomes dead when an official's whistle sounds
Rationale- clarified the ball is dead when an inadvertent whistle on that court sounded
- ✓ A live ball becomes dead when a timer's audio signal interrupts play
Rationale- clarified that the ball is dead when an inadvertent time-out on that court sounded
- ✓ Multiple contacts are more than one contact by a player during one attempt to play the ball. Multiple contacts are permitted only on any first team hit, whether or not the ball is touched by the block
Rationale- deleted the "provided there is no finger action" from the existing rule. "Finger action" was open to a multitude of interpretations and made for inconsistent application
- ✓ Play continues when a back-row player, (on or in front of the attack line), contacts the ball, which is completely above the height of the net, on the team's first or second contact, directing flight of the ball toward a teammate and the opponent legally contacts the ball that breaks the vertical plane of the net. If the net is hit into a back-row player, it is ruled as the team's first hit/contact. It is a back-row player foul if the flight of the ball is toward the opponent's court and not toward a teammate and is legally touched by an opponent above the net or completely crosses the net
Rationale- removed the need for an official to judge the intent of the back-row player by judging the direction of the ball

- ✓ Effective 2004 with rally scoring... a ball contacting and crossing the net shall remain in play provided contact is entirely within the net antennas
Rationale- the rule change became necessary to support the rule change allowing continuation of play on a net serve (let serve)
- ✓ The substitute enters or a player leaves the court before the umpire directs them to do so
Rationale- the official is to release a player into the court after confirming the readiness of the scorer
- ✓ Charged time-outs begin when the official recognizes the request with the whistle and signal. A time-out will last for a maximum of 60 seconds or less if both teams are ready to play
Rationale- consistent administration of time-outs
- ✓ Disrespectfully addressing, baiting or taunting anyone involved in the contest
Rationale- modification would conform to the spirit of sportsmanship. Coaches, for example, have been known to disrespectfully address their own players, and therefore, could be penalized
